CONTENT CREATOR IN TECH & LIFESTYLE

I turn products into *cinematic stories* that sell.

I'm Blackjacktek — filmmaker, brand photographer, and creative partner to global brands. I make products look like they belong on a big screen — and perform like they belong in your feed.

Weekly Reach

Creating content that brands actually *want to share*.

01 Cinematic Brand Video

Story-driven video for tech brands. Your product in its natural habitat — real life, real people, real moments.

02 Brand Photography

High-quality product photography in real-world environments. No white backgrounds — just life, beautifully composed.

03 Creator Consulting

Private sessions for creators ready to level up — content strategy, workflow systems, brand deal outreach.

04 Digital Products

Tools built for the creator community — Notion templates, Lightroom presets, and curated wallpapers.

Flexible packages for every *brand stage*.
